The Saskatchewan Cancer Agency operates prevention and early detection programs, conducts innovative research and provides safe, patient and family-centred care at our two comprehensive cancer centres - the Allan Blair Cancer Centre in Regina and the Saskatoon Cancer Centre.

Seven medical oncologists in each centre work with a team of nurses, pharmacists, radiation therapists, oncologists, surgeons, social workers, volunteers and palliative care staff. Cancer care is extended to surrounding communities through our community oncology program. Participation in clinical trials in collaboration with NCCTG, NCIC, COG and RTOG is a major focus of activity for our oncologists. Oncologists receive an academic appointment in the Division of Oncology, College of Medicine, University of Saskatchewan and privileges in the Regina Qu’Appelle Health Region.

We are looking for multiple Medical Oncologists to join our team in Regina. Successful applicants must have specialty qualifications in medical oncology with training in hematology in the country of current practice; must be in good standing with their local regulatory bodies; and eligible for licensure with the College of Physicians and Surgeons of Saskatchewan. In accordance with Canadian immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.

Saskatchewan is a growing and prosperous province. We have excellent education opportunities for young and old and we offer a rich cultural and recreational environment to suit families and independent living. Saskatchewan offers a world of endless possibilities.

The Saskatchewan Cancer Agency offers an attractive compensation and benefits package. The Salary Range for this position is $280,776 - $401,191. Please direct questions to Dr. Muhammad Salim, Site Leader, Medical Oncology, at Muhammad.Salim@saskcancer.ca. Interested applicants are invited to submit their curriculum vitae by April 10, 2014 to:
